Rex Day  
Red Emerald Inc.  
P.O. Box 576  
Delta, UT 84624

Dear Mr. Day:

We have recently determined the surface area which has been disturbed by Red Emerald on the Violet claims located in Beaver County, Utah. It appears that well over five acres have been disturbed including the access road and housing area. Normally this would require a Plan of Operation and a bond before any additional work could be allowed on the claims.

We understand that Kennecott has an option to buy the property from Red Emerald. We are willing to wait to see if this option is exercised before requiring a Plan of Operation from your company. Please be advised, however, that if Kennecott does not acquire the property, you will be required to submit a Plan of Operation and post a bond in accordance with the regulations found at 43 CFR 3809.

We appreciated the way your company has worked with us. Please contact Gina Pack at this office if you have questions regarding this letter.

Sincerely,

Arthur L. Tait  
Area Manager
